We are available on-site for the entire weekend to ensure you go out on stage with the **PERFECT dark bronze tan!!**

COVID-19 has changed the way we do all things these days. Protocols are constantly changing with that we must adapt our procedure as well. **We will need to book specific times for each athlete for both tanning applications.**

Our team is always prepared to provide our services to every athlete that is registered for each event. **Time slots will be assigned 1 week prior to each event in order of class appearing on stage.**

Both coats of tan will be completed on the day prior to show day for each event.
